We had a beautiful day on Cypress Springs for most of the day. The wind picked up pretty good as the day continued. That didn't stop Rodney Roland from out-pacing the rest of the field.

1st - Rodney Roland put a really nice stringer together to have a final weight of 15.59. Rodney fished a spinnerbait and flukes shallow to catch his fish. Rodney swept the tournament with 1st place, Big Bass of 5.03lbs, and his share of Heavy Boat. Great job Rodney.

2nd - Coy Frazier brought a limit to the scales, weighing 11.74 lbs. I didn't talk to Coy after the weigh-in, but I could usually guess that he caught his fish on a Carolina rig. However, I believe he caught his fish on a speed craw this time.

3rd - Chad Petrie followed closely behind Coy with his 11.42 lbs. limit. Chad, like Rodney, caught his fish on a spinnerbait.

4th - Randy Kvpil gave us a little bit of a break this time. He had won the 2 previous tournaments. Thanks for sharing the spotlight a little Randy. Randy had 11.19 lbs on the usual suspect, flukes.

5th - Philip Webb had a 9.80 lbs limit on a jig to round out the top 5.

6th - Dennis Canuel finished in the last paying position with his 9.17 lbs. limit.

Big Bass - Rodney Roland missed the 5 lbs. even pot by 3 100ths of a pound with his nice 5.03 lbs. big bass.

Heavy Boat - Rodney and his partner for the day, Bert Petrie, took home heavy boat honors
