Well, we all made it through the annual ritual we call a night tournament. I think every year, many of us vow never to do this again. For some reason the passing year dulls the pain of the previous night tournament and submit ourselves to it again. Once again proving that tournament fishermen are a little crazy.

1st - Randy Kvapil brought more fish to the scale than anyone, and in these derbies it usually is a numbers game. With 7 fish and 19.31lbs, Randy ran away with this one. He also came close to the 5 lbs. even pot with a 5.02. Congrats Randy on your 3rd win of the year.

2nd - David Porter finishes in second after leading midway through the event. David, ended up with 5 fish total weighing 14.14 lbs. David had the second largest fish of the event with a 7.19. I don't like to speak for other people, but I feel confident in saying that David would like to thank Waffle House.

3rd - Dan Phifer managed to slide into 3rd after not weighing a single fish in the first half. Dan had 5 for 11.85.

4th - Jon Harshbarger started off pretty strong in the first half with 3 fish for over 10, but the second half didn't hold up to those standards. Jon finished with 4 fish for 11.70.

5th - Robert Carter made up some ground in the second go round with a beautiful 10.18 lbs. bass. I bet that woke him up if he was waning from the grueling over night event.

6th - Philip Webb rounds on the top 6 with 3 fish for 10.13. Philip also gave the 5 lbs pot a try with his 5.04lbs fish. Someone is going to hit this pot one day.

Big Bass - Robert Carters 10.18 lbs. giant takes this prize.

Heavy Boat - Randy Kvapil and his partner for the event, John Walker, take heavy boat with 26.10 lbs.
