<u>Fish Weighed</u>	102	<u>Total Weight</u>	249.37 lbs.

The #1 Bass Fishing Lake in the Country didn't treat us very kindly once again this year. The Bend seems to be in a bit of a funk and it was tough to catch a limit for sure.

1st - Chad Petrie was able to catch a nice limit on Saturday with the second heaviest daily catch of the tournament. That limit weighed 13.73 lbs. He was able to catch 2 on Sunday that weighed 8.13 lbs to secure the win with a 2 day total of 21.86 lbs. Chad caught his fish on Magnum Flukes fished weightless and Texas rigged speed craws around timber.

2nd - Jon Harshbarger may not have had a limit on either day, but he caught the right size fish. Jon had 5 fish total that weighed 18.07 lbs. His big fish on Sunday of 7.08 lbs. really helped to secure his second place finish and took home big bass honors on Day 2. Jon caught his fish on a Carolina rig and a shakey head.

3rd - Coy Frazier had 7 fish that weighed 16.72 lbs. Coy caught fish on his Carolina rigged flukes. Coy had a 5.48 lbs. fish on day one to take day one big bass honors.

4th - Richie Slack takes home a 4th place finish from the back of the boat. Richie had 6 that went 16.27 lbs. Richie caught his fish on a Carolina rigged fluke and a chicken rigged fluke.

5th - Mike Rice had 5 fish for the weekend that weighed 15.44. His 4 fish weighing 13.40 lbs on Sunday catapulted him into a money position. Mike was fishing from the back of the boat also and caught his fish on Carolina rigs and Texas rigs around creek channel bends and flats. He also caught one shallow on a wacky rig.

6th - Mike Hughs rounded out the top 6 with 7 fish weighing 14.84 lbs. Mike caught his fish shallow early with topwater and swimbaits and then moved deeper with C-rig and crankbaits in the afternoon.

Big Bass Day 1 - Coy Frazier had Saturday's big bass of 5.48 lbs.

Big Bass Day 2 - Jon Harshbarger had Sunday's big bass of 7.08 lbs.
