It was pretty nice weather this weekend for our 9th tournament of the year. With 1 tournament left, the top six race is getting exciting.

1st - Jon Harshbarger topped the field this weekend to take his second victory of the year. Jon had a great stringer weighing 15.10 lbs. Jon caught his fish flipping shallow cover.

2nd - Randy Kvapil continued his strong year with a 2nd place finish. Randy had a limit or 14.26 Randy caught his fish in the 4-10' range. Randy is going to be very difficult to beat for Angler of the year. In fact he may have it locked up, I haven't done the math.

3rd - Derick Maschmeier is also having a great year and with two missed tournaments, he needs 1 more good finish at Palestine and he will be solidly in the mix. I believe Derick caught his 13.62 lbs limit flipping docks this weekend, that is a guess.

4th - Keith Green tops his best tournament of the year with a 4th place finish. Keith's best five went 12.15 lbs.

5th - Bert Petrie rounded out the top five with 4 weighing 11.98 lbs.

6th - Richie Slack was first out of the money with 5 going 11.07

Big Bass - Jon Harshbarger's 5.65 lbs. bass takes this prize.

Heavy Boat - For the second tournament in a row, Randy Kvapil takes heavy boat with his co-angler for the day. Mike Mrva added 9.92 lbs to Randy's 15.10 to come up with 24.18 lbs.
